- Small Business
- Transportation, Distribution & Logistics

**The IWE is the perfect choice to help you succeed in today's workplace.**

No other career and professional development program or institution can help you achieve your goals while still maintaining a deep and relevant understanding of your needs.

**REAL EXPERIENCE, REAL INSTRUCTORS**

At the IWE our instructors are not teachers – they are practitioners. Our classes feature highly-skilled, certified instructors with real world experience.

**SKILLS, NOT THEORY**

Utilizing professionally-designed programs and training materials, the IWE emphasize skills over theory. Our students leave the SPD with the industry-accepted competencies they need to succeed.

**BLENDED TEACHING THAT WORKS**

The IWE uses a variety of teaching methods. From e-learning, face-to-face training, blended learning and distance learning, our students get the best in professional development education.

**FINANCIAL AID AND JOB PLACEMENT ASSISTANCE**

St. Augustine's Financial Aid and Job Placement Assistance services help you not only start your education at SPD but apply it in the workplace once completed.

**At the IWE, dual-language is a competitive advantage**

Given St. Augustine's enduring reputation for outstanding dual language education, the SPD is uniquely positioned to provide you training that is not only professionally relevant but also easy to understand. Our customized programs ensure that regardless of the language, the end result is the same: a more qualified, prepared and competitive YOU!
